P/N **810240** 1 Quart Measure

P/N **810241** 2 Quart Measure

P/N **810244** 5 Quart Measure

P/N **950010**

Combo Kit includes 5qt. Pitcher and 7" Funnel.

### Transmission Funnel

P/N **810270**

Six inch funnel with a 13" flexible spout. High density polyethylene construction.

### 3 Piece Funnel Set

P/N **810272**

Sizes include 1 ea. 2 quart, 1 pint and 1/2 pint funnels. High density polyethylene construction.

### Plastic Funnels

Molded from high density polyethylene. Complete with flex spout, threaded cap, lid and screen filter.

P/N **810253** 7" diameter funnel

P/N **810254** 9" diameter funnel

P/N **810261**

10" diameter drain funnel screws securely to 2" drum or tank openings. Allows rapid filling without danger of funnel tipping over. Hinged cover prevents contamination and may be pad locked. 3.5 quart capacity.

### Super Funnel

P/N **810271**

Five inch diameter funnel with tapered rigid length of 18". High density polyethylene construction.

### Super Funnel

P/N **2400-14**

Eliminate overspills while pouring. Large surface area permits drainage of multiple containers simultaneously. Highly durable, it will resist rust, dents and chemicals and will give many years of trouble free service. Fits all types of 55 gallon drums.
